

IAOM Convention Poster Session Invitation

Dear Colleagues,

I hope this message finds you well. I am writing to extend a warm invitation to participate in the upcoming International Association of Orofacial Myology (IAOM) Convention 2025, an esteemed event that brings together professionals from across the nation to share insights, innovations, and best practices.

We are currently seeking submissions for poster presentations, an excellent opportunity to highlight your work, research findings, or innovative solutions to a broad audience of industry peers, experts, and enthusiasts. Posters are invaluable in enriching the convention's discourse and fostering a vibrant exchange of ideas. Presenting at the IAOM Convention offers numerous benefits, including:

1. **Networking Opportunities:** Connect with industry leaders, potential collaborators, and like-minded professionals.
2. **Industry Recognition:** Highlight your expertise and contributions to the field.
3. **Professional Development:** Gain valuable feedback and insights that can enhance your future work.

Please look for submission Guidelines in upcoming weeks. Note this year's posters will be presented virtually.

Should you have any questions or need further assistance, please do not hesitate to contact Hetal Sutaria at iaom.posterboard@gmail.com.

We are here to support you throughout the submission process.

Thank you for considering this invitation, and we look forward to the possibility of your contribution.

Best regards,
Hetal Sutaria, BS, RDH, COM®
